If I am applying for the Patient Assistance Program, I authorize the Program to obtain a report on my individual income from consumer reporting agencies and to use information provided by me as sources to verify the information on this form to determine if I am eligible for free medication. I understand that, upon my request, the Program will provide me with the name and address of the consumer reporting agency that delivers any such consumer report. I authorize BridgeBio to contact me by mail, telephone, email, and if I grant my consent on page 2, also by text regarding: i) Program services; ii) information about BridgeBio’s products; iii) promotions; iv) research studies; v) my opinion about such information and topics; vi) market research; and vii) disease-related surveys. I further authorize BridgeBio to de-identify my information and use it in performing research, education, business analytics, and marketing studies or for other commercial purposes. I understand I do not have to enroll in the Program, and I can still receive my medication as prescribed by my physician.
